

# GROWING KINSHIP CONNECTION [R]

## Education

We come alongside families to educate and empower them to better navigate the complexities of the Child Welfare, Child Protection and Social Services. We provide resources to assist in navigating court systems and becoming a better Father or kin caregiver.

## Family Mentorship

We work alongside families to educate, help problem solve, provide for child related emergency needs and nurture familial bonds. This service is available in North and South St Louis County to support the well-being of children in our community.

## Relative Search

We offer a national relative search to avoid foster care placements. This service identifies potential kin caregivers across state lines to determine additional options that maintain familial and cultural connections.

## Support Groups

Through peer-to-peer support, we provide a safe, facilitated environment to strengthen Fathers and male care givers in South St. Louis County, MN. Coming Soon: Support to strengthen families for grandparent and kin care givers in North and South St Louis County.
